

## Post-Doctoral position in Nuclear Theory at INFN Catania site

---

The Catania Nuclear Theory Group anticipates a post-doctoral position in Nuclear Structure and Reaction Theory.

Eligible candidates are:

- Non-Italian citizens, or
- Italian citizens who, at the time of the application, hold a position in a foreign institution and have been continuously abroad for at least three years.

Applicants must have a Ph.D. degree (or an equivalent qualification), obtained no more than eight years prior to the call deadline. This time limit may be extended in particular situations (see this [website](#) for more information about eligibility conditions).

The annual gross salary is 36.000,00 €. Each INFN fellowship is initially granted for one year and may be extended for a second year. Travel tickets to and from INFN sites will be reimbursed at the beginning and at the end of the fellowship; also lunch tickets will be provided for working days.

Applications, in electronic form, must be submitted to INFN not later than **November 9th, 2020 (11:59 a.m. CET)** through the website <https://reclutamento.dsi.infn.it/ReclutamentoOnline/> (Bando n. 22425)

The appointed fellows should start their fellowships not later than November 1st, 2021; however, special requests to defer the starting date can be considered.

More information about the hosting group and its current research lines can be found at
