

## Laboratory portraits - already published

- |     |                              |      |                         |
|-----|------------------------------|------|-------------------------|
| 1.1 | TSL Uppsala                  | 10.1 | GANIL Interdisciplinary |
| 1.2 | NSF Daresbury                | 10.2 | Yale                    |
| 1.3 | GANIL Caen                   | 10.3 | Jyväskylä               |
| 1.4 | Tandem NBI                   | 10.4 | RHIC                    |
| 1.5 | Cyclotron Jyväskylä          |      |                         |
| 1.6 | KVI Groningen                | 11.1 | Munich Tandem           |
|     |                              | 11.2 | Berkeley                |
| 2.1 | Budker Institute Novosibirsk | 11.3 | LUNA                    |
| 2.2 | IPN Orsay                    | 11.4 | TUNL                    |
| 2.3 | Cyclotron Louvain-la-Neuve   |      |                         |
| 2.4 | SATURNE Saclay               | 12.1 | Köln                    |
|     |                              | 12.2 | MSU                     |
| 3.1 | PSI Villigen                 | 12.3 | Oak Ridge               |
| 3.2 | ISOLDE                       | 12.4 | Notre Dame              |
| 3.3 | HMI Berlin                   |      |                         |
| 3.4 | GSI Darmstadt                | 13.1 | New Delhi               |
|     |                              | 13.2 | Surrey Theory           |
| 4.1 | JINR Dubna                   | 13.3 | ILL Grenoble            |
| 4.2 | MAMI Mainz                   | 13.4 | Texas A&M               |
| 4.3 | Warsaw Cyclotron             |      |                         |
| 4.4 | MSU East Lansing             | 14.1 | Cape Town               |
|     |                              | 14.2 | none (Lanzhou)          |
| 5.1 | RIKEN                        | 14.3 | Rehovot                 |
| 5.2 | Legnaro                      | 14.4 | none (JAERI)            |
| 5.3 | Argonne                      |      |                         |
| 5.4 | Chalk River                  | 15.1 | KEK                     |
|     |                              | 15.2 | WYP (special issue)     |
| 6.1 | ECT* Trento / Seattle        | 15.3 | Saclay                  |
| 6.2 | NIKHEF                       | 15.4 | FRM-II                  |
| 6.3 | RCNP Osaka                   |      |                         |
| 6.4 | CEBAF                        | 16.1 | FAIR (special issue)    |
|     |                              | 16.2 | Florida State           |
| 7.1 | none (Catania)               | 16.3 | Bordeaux                |
| 7.2 | Indiana                      | 16.4 | Louvre                  |
| 7.3 | Cracow                       |      |                         |
| 7.4 | COSY                         | 17.1 | Bucharest               |
|     |                              | 17.2 | Lanzhou                 |
| 8.1 | Catania                      | 17.3 | Orsay                   |
| 8.2 | INPC98 (special issue)       | 17.4 | RIKEN                   |
| 8.3 | ISAC 7                       |      |                         |
| 8.4 | Japan (special issue)        | 18.1 | Delhi                   |
|     |                              | 18.2 | Mainz                   |
| 9.1 | Canberra                     | 18.3 | Legnaro                 |
| 9.2 | MIT Bates                    | 18.4 | Bruyeres-le-Chatel      |
| 9.3 | Frascati                     |      |                         |
| 9.4 | Debrecen                     |      |                         |

- 19.1 LABEC
- 19.2 none (J-LAB)
- 19.3 AD
- 19.4 J-PARC (special issue)
  
- 20.1 Řež
- 20.2 ISAC
- 20.3 JLab
- 20.4 ISOLDE
  
- 21.1 Jülich
- 21.2 none (RHIC)
- 21.3 CNA Sevilla
- 21.4 RHIC
  
- 22.1 LNS
- 22.2 ALICE
- 22.3 JINR
- 22.4 LANL
  
- 23.1 SNOLAB
- 23.2 ALTO
- 23.3 RIBRAS
- 23.4 Beijing
  
- 24.1 Notre Dame
- 24.2 none (Jyväskylä)
- 24.3 none (25 years of NuPECC)
- 24.4 JYFL
  
- 25.1 VECC Kolkata
- 25.2 none (Debrecen)
- 25.3 RIKEN
- 25.4 ATOMKI
  
- 26.1 CARIBU
- 26.2 HIRF Lanzhou
- 26.3 JLab
- 26.4 ISOLDE
  
- 27.1 ILL
- 27.2 Texas A&M
- 27.3 none (S-DALINAC)
