

Facilities & projects:

- ESFRI roadmap: ELI-NP, FAIR, HL- LHC, SPIRAL2 (2016 update)
- ENSAR2 TN facilities, HPH TN facilities
- new initiative/projects NICA, EURISOL-DF (ISOL RIB EU facilities),...

Input based on:

- ESFRI Roadmap 2016, Existing LRP of facilities
- Survey (to be organised in the coming weeks)

Output:

Chapter on the facilities in the LRP & input to Executive Summary & Recommendations

- To be prepared by the NuPECC sub-group on facilities after interaction with WG conveners and based on the WG drafts

When it should be done? First draft by middle of June?

World-wide panorama of facilities?
